

Volunteers Week, 1-7 June 2017

The staff at BHLC would like to take this opportunity to say a big '**Thank-you**' to all of the volunteers for their commitment and support given to the services that Brunswick Hub provides by generously giving their time and energy helping to make a real difference by supporting access to services and information.

Over the period of **April 2016 - March 2017** our volunteers gave a total of **7,071** hours, so put simply "BHLC could not provide the services it does without the help of all of the valued volunteers".

Celebrating the role of the volunteer nationally during this week is recognition on how vital people giving their time to good causes, their community and environment is.

BHLC, hope that all of the volunteers get the experience, skills and rewards they seek when volunteering at Brunswick Hub.

From the trustees, chief executive and the staff team, **all of the volunteers** have our sincerest thanks and gratitude for all that they do.

Brunswick Hub

Heartfelt 
THANKS
TO OUR VOLUNTEERS!
